

BOO!!!

The Phantom Ghost has come to call,
And left some goodies for one and all.

The Treats that came with this special note,
Are yours to keep, enjoy them both.

The fun comes when friends like you,
Will copy this and make it two.

Then others here among our friends,
Will give warm puzzles that will not end.

We'll have smiles upon our face,
No one will know who boo'ed whose place.

Just one short day to work your fun,
Or a big zap will strike, so run!

And don't forget a nifty treat,
Like something cute or something sweet.

Please join the fun, let's really bear it,
And spread some boos and a kind spirit.

Directions:

1. Enjoy your treat!
2. Place your "BOO" sign on the front door.
3. Now you have 24 hours to copy this twice, make two treats and two boo signs and secretly deliver to two neighbors or friends who do not have a sign on their door.
4. Then watch how far this spreads by Halloween!
